

Vidal Sassoon Soirée

Francesca Camilleri

Vidal Sassoon Academy soirée Project show

From the summer of 2017 I helped to organise and style a catwalk show for Vidal Sassoon academy, a prestigious hair styling school in London with many links to the fashion industry. I was asked to support I provided style ideas for the show in the form of mood boards and show organisation and offered to help. The show theme was androgyny and the final styling suit concept was Black suits. This was most appropriate as the emphasis was to be placed upon the hair style as opposed to the clothes. This was an incredible experience, I was able to see first hand the organisation and expertise that is required in organising a big show including preparing and organising of the show, photography and makeup styling. I hope to work with the company again in the future and collaborate with them for the styling of my shoots and fashion shows.
